theWit Hotel Chicago has selected KVL Audio Visual Services as the official on-site source of event technology. KVL maintains an office in the hotel, complete with equipment, management staff and technicians. KVL's on-site staff is familiar with the unique aspects of theWit's facility and can ensure the quality and effectiveness of your meeting along with superior customer service based on the hotels service philosophy. Although the hotel recommends KVL, clients are permitted to select an outside audio visual vendor, provided that they acknowledge and comply with the external guidelines. Additional fees may apply. Please ask your catering representative for more information.
